

THE LEGACY SOCIETY

Friends who become family

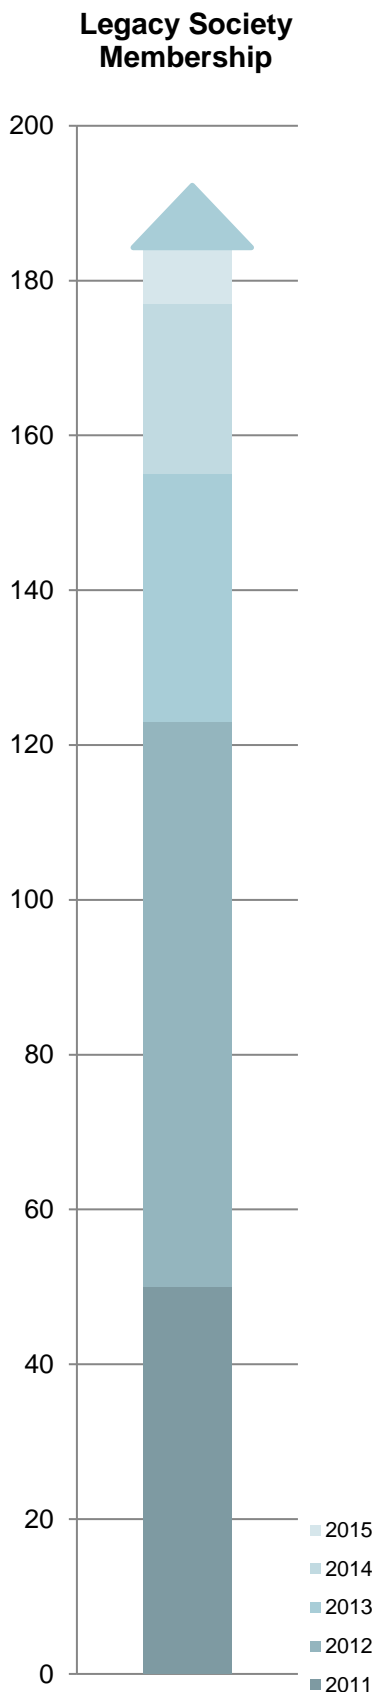

The Master's University Legacy Society began in 2011 to recognize supporters of the University who have committed a portion of their estate to further the vision of TMU.

Since then, about 200 friends of Master's have joined Dr. and Mrs. John MacArthur as members of the Legacy Society.

By including TMU in their estate plans, these special friends have treated the University like family. As family, members receive invitations to campus opportunities, including private events, and access to estate planning resources.
