

Addendum to the Richard Mayhue Honors Scholarship

In order to honor the donor intent, the following stipulations must be fulfilled by the recipients of the Richard Mayhue Honors Scholarship.

- The recipient must maintain a 3.70 cumulative GPA in order to continue to receive the scholarship. If a student drops below the 3.70 GPA requirement, then he will have one probationary semester to bring his GPA to the minimum 3.70 standard. If he is unable to raise his cumulative GPA to the 3.70 minimum in that semester, then he will forfeit the scholarship.
- The recipient must complete the M.Div. coursework in 7 consecutive semesters to receive the scholarship funds.
- The recipient must affirm that they agree the TMS doctrinal statement each year.
- If the recipient drops below the full-time course load (11 units), then he will be responsible for paying the difference in the increased tuition rate.
